Providing Quality Care in Gloucestershire

Welcome to Bredon View - A Lovely Place to Live

Anyone who has ever visited Bredon View will tell you that it is one of the happiest homes they have been in. The Manager, and all the staff, work really hard to create an environment where you can enjoy life to the full, and become part of the jovial community atmosphere that makes the home a special place. We want you to feel part of a loving and caring community where nothing is too much trouble. This is not only comforting for you but also offers peace of mind to your relatives and loved ones.

Enjoy The Comforts Of Home

Bredon View was originally two Regency style houses that have now been linked and extended to provide you with the very best choice of accommodation and amenities.

If you enjoy sitting and relaxing or maybe having a chat then our beautifully furnished lounge and dining room is the perfect place for you to sit in warmth and comfort. This is the heart of the home where you can come together with friends and loved ones to share your day.

We take pride in the fact that the garden is a frequent winner in the Cheltenham in Bloom competition. Our garden lounge offers you a peaceful space from where you can view the gardens outside. If you prefer to sit and watch the world go by then our cosy and comfy conservatory at the front of the house will be the perfect place for you.

All of our ensuite bedrooms are individually and tastefully decorated for you to make your own. We encourage you to bring those special personal items of furniture, treasured possessions, and photos to add to your room; our aim is for everyone to feel that they are living in their own home from home.

Leading A Fulfilling Life

Laughter is part of every day life at Bredon View. Together with you, our activities co-ordinator plans a full and varied programme of activities for everyone to join in. Each day is different and whether you are someone who likes puzzles, a game of cards, some gentle exercise, or good old-fashioned entertainment, there will be something for you to enjoy.

“The staff are so friendly and helpful, Mum really does feel at home”

Kate H.

Dedicated Staff

Your wellbeing is the top priority for all of our staff and they are committed to making sure that your time with us is as happy as possible.

Our team has considerable experience in providing excellent care, and no matter what your level of need, we always complement our professional attitude with warmth and compassion, so that you are looked after with dignity and respect.

We want you to have the care that is right for you, which is why we take the time to sit down with you, your GP and your family to create a personalised plan for looking after you; something that reflects not only your needs but also your personality and lifestyle.

We will regularly review the plan with you and your family to ensure that you are always receiving the care that you need, want and deserve. At Bredon View there will always be someone there for you, 24 hours every day.

Healthy Eating

Meal times are often when the home is at its liveliest. You can enjoy the convivial atmosphere of our dining room and take the opportunity to catch up with friends. All of our meals use good quality ingredients, to create tasty, nutritionally balanced dishes that you will really look forward to.

We can also cater for any special dietary needs should you be diabetic, or have specific food allergies. We work hard to provide you with a balanced and healthy menu, but should you fancy something in particular or a special treat, then just ask our catering team

At Bredon View we know that everyone enjoys special occasions, so we always encourage you to invite friends and family to enjoy yours. So whether you may want to celebrate a birthday, a memorable event in your life, or just fancy a family get together. You are welcome to hold a lunch, perhaps have tea in the garden or a full on party – whatever you would like everyone is welcome!

“Thank you all for showing Mum love and affection during the last two and a half years, she was very happy at Bredon View.”

Sue T.

Cedar Trust - A Little About Us

We are a family-owned local company that has been caring for people in Gloucestershire for over three decades. We opened our first home in Cheltenham in 1986 with one aim in mind – to look after everyone in a warm, compassionate, safe and friendly environment.

Really great care is all about developing good relationships. The teams in our homes are not only chosen for their professionalism but also their understanding and compassion. Through this they create strong and lasting friendships with both you and your families. This is one of the key reasons why our homes are lovely places to live – they feel like communities where the whole family is respected and looked after.

Although we offer the very best care for you, our five homes are much more than just about caring; they are about enriching people's lives at a time when they thought that might not be easily achieved. We have been, & remain, proud to be able to help people find happiness, friendship & fulfillment in their later years.
