Providing Quality Care in Gloucestershire

# Welcome to Chargrove Lawn - *A Lovely Place to Live*

**When you visit Chargrove Lawn for the first time you will probably notice the wonderful views of Leckhampton Hill. However the lovely setting overlooking the surrounding countryside and mature grounds, is only one of the many attractive aspects of the home you can enjoy.**

Converted from an elegant country house, Chargrove Lawn lies on the outskirts of Cheltenham, yet within easy reach of the town centre with its regency architecture and extensive shopping facilities. There is excellent access to the M5 and rail services at Cheltenham Spa and the home also benefits from being on a bus route into town, making it easy to reach for you, your friends and relatives.

## **An Excellent Range Of Facilities**

The attractive exterior of the building is complemented by several large and well-planned interior spaces. Some of them are open plan with a light and airy feel to them, but if you are someone who prefers quieter and more intimate areas, then we have these too. Whatever your preference you have a wide choice of places in which to sit and relax, read, have a chat or maybe take a cup of tea.

Our individually designed ensuite bedrooms, offer you the latest in soft furnishings and elegant design – a lovely start to creating a room of your own. We encourage you to personalise your room by bringing your own furniture, treasured possessions and photos; our aim is for everyone to feel that they are living in their own home from home. One space you can make good use of, particularly in the summer, is the sun lounge, which gives you direct access onto the beautiful gardens. We are proud at Chargrove Lawn to have been frequent winners in the Cheltenham in Bloom 'Out of Town' category, and we encourage you, your family and friends to enjoy the attractive floral displays and seating areas that the garden offers.

## **Leading A Fulfilling Life**

At Chargrove Lawn we believe that you deserve to live a happy and fulfilled life. We want you to find everyday fun and stimulating. Together with you, our activities co-ordinator plans a number of different activities and events for you to enjoy. You might like a game of cards, a puzzle or jigsaw, or simply some good old-fashioned entertainment so you can take a trip down memory lane.

***“Dad really feels at home here, we couldn't be happier with the team for looking after him so well.”***

*Steve M.*

We help you celebrate your special days throughout the year and we actively encourage the involvement of your family and friends in the home and its activities. Our aim is always to make sure you enjoy the best time possible, and make new memories for you and everyone.

## **A Caring Team**

It is always people who make the difference to the spirit of a home, and at Chargrove Lawn our team has your wellbeing and happiness as their top priority. Not only do we use our professional knowledge and experience to tailor a care plan to your individual needs, but we also know it is important to complement this with compassion and respect.

They say a kind heart works wonders, and nowhere is this more true than when dealing with your care. Rest assured that no matter how your needs develop our staff will always look after you sympathetically and with dignity. At Chargrove Lawn there will always be someone there for you 24 hours a day, so whatever your requirements, your wellbeing is always their top priority.

## Healthy Eating

At Chargrove Lawn you are able to enjoy a varied and nutritious menu every day. If you have a particular favourite that you haven't had for some time, or fancy something special now and again, then just ask our catering team they will have great fun preparing something just for you.

We also cater for you if you have special dietary needs – you may be diabetic or suffer from a food allergy or intolerance. No matter what your requirements we will take care of you.

Everyone enjoys celebrating special occasions, so we always encourage you to invite friends and family to join yours, whether it's for lunch, tea in the garden, or for a birthday party celebration; everyone is welcome!

*“Sending such a big thank you for all the care, love and kindness you gave to my mother.”*

*Caroline N.*

## Cedar Trust - A Little About Us

We are a family-owned local company that has been caring for people in Gloucestershire for over three decades. We opened our first home in Cheltenham in 1986 with one aim in mind – to look after everyone in a warm, compassionate, safe and friendly environment.

Really great care is all about developing good relationships. The teams in our homes are not only chosen for their professionalism but also their understanding and compassion. Through this they create strong and lasting friendships with both you and your families. This is one of the key reasons why our homes are lovely places to live – they feel like communities where the whole family is respected and looked after.

Although we offer the very best care for you, our five homes are much more than just about caring; they are about enriching people's lives at a time when they thought that might not be easily achieved. We have been, and remain, proud to be able to help people find happiness, friendship and fulfillment in their later years.
