Providing Quality Care in Gloucestershire

Welcome to Parton House - *A Lovely Place to Live*

The first thing you will notice when you arrive at Parton House is its lovely setting. Located in the heart of the village of Churchdown, halfway between Gloucester and Cheltenham, it is set back off the road down a long driveway. The home has its own extensive grounds and is surrounded by community allotments and playing fields, giving it a quiet, rural feel.

The beautifully maintained gardens offer a number of areas where you can sit and relax or meet with relatives and friends on warm and sunny days. If the weather is not so inviting then the interior of the home offers excellent facilities for you, your friends and relatives to enjoy.

Your Home from Home

Parton House offers something for everyone, no matter what your personality. The hub of daily life at the home is the spacious main lounge where you can relax, read and perhaps talk over a cup of tea or coffee. There is a separate TV lounge, and a quieter reception lounge, which is perfect for family gatherings or for when you and friends require extra privacy. For those of you who enjoy the movies there is a cinema room where we often screen the latest films as well as the classics of days gone by.

All of our rooms are comfortable and inviting and have been individually decorated; ready to make your own. We encourage you to bring those special personal items of furniture, treasured possessions and photos to add to your room; our aim is for everyone to feel that they are living in their own home from home.

There is a real family feel to the home giving a strong sense of community. All of our visitors comment on the warm and friendly atmosphere that exists no matter what time of day they come to see us; it is part of what will make you feel you are truly 'at home' if you come to join us at Parton House.

Leading A Fulfilling Life

Our aim at Parton House is to make sure you find every day fun and stimulating. This is the case regardless of your care needs and all of our staff are dedicated to helping you achieve this. Together with you we take the time to plan a variety of enjoyable activities so that there is always something different happening every day. You may be someone who loves to sit down with a puzzle, or maybe you like a sing-along, taking some gentle exercise, or perhaps a stroll down memory lane with a friend.

We are lucky enough to be located in a lovely part of the country so we organise plenty of outings for you to take part in. Recent trips have included a boat cruise on the Gloucester-Sharpness Canal and an outing to a fantastic Victorian Tea Room in the Forest of Dean. Whatever your preference, all of our activities and trips will help to make you feel part of a family within your home.

A Caring Team

Doing everything possible to care for your wellbeing and happiness is our top priority. We have a dedicated and highly qualified team who will do all they can to care for your unique needs and preferences, whether it be organising a birthday party, helping you to take a relaxing bath or simply fluffing your pillow. We stress the need to put your wishes and feelings first when planning your care with you.

At Parton House we are committed to quality – it's not just what we do but how we do it that matters. Not only are we professional but we complement this with compassion and respect when looking after you. At Parton House there will always be someone there for you, 24 hours every day.

Healthy Eating

At Parton House you can be certain that there will be an excellent selection of tasty and nutritious food for you to enjoy.

Our team of dedicated chefs are passionate about making your meal times something to look forward to every day. They are always willing to discuss new menu ideas with you – you might have an old favourite that you haven't had for some time – just ask and they will see what they can do.

Providing you with a healthy diet is important but our chefs always remember that everyone loves regular treats. If you wish you can invite family and friends to join you, whether it's for lunch, tea in the garden, or for a birthday celebration – everyone is welcome!

“I would like to say a very big thank you for all the wonderful care my Mum (Dolly) had while she was living at Parton House.”

Cedar Trust - A Little About Us

We are a family-owned local company that has been caring for people in Gloucestershire for over three decades. We opened our first home in Cheltenham in 1986 with one aim in mind – to look after everyone in a warm, compassionate, safe and friendly environment. Really great care is all about developing good relationships.

The teams in our homes are not only chosen for their professionalism but also their understanding and compassion. Through this they create strong and lasting friendships with both you and your families. This is one of the key reasons why our homes are lovely places to live – they feel like communities where the whole family is respected and looked after.

Although we offer the very best care for you, our five homes are much more than just about caring; they are about enriching people's lives at a time when they thought that might not be easily achieved. We have been, and remain, proud to be able to help people find happiness, friendship and fulfillment in their later years.
