Providing Quality Care in Gloucestershire

# Welcome to Redlands Acre - A Lovely Place to Live

Situated close to the historic centre of Gloucester, Redlands Acre is a large Victorian house that has been sensitively converted to provide you with a beautiful home retaining many fine original features.

Enter through the lovely porchway and the first thing that strikes you about the home is the friendly, family atmosphere. We strive to ensure all of our residents feel part of a warm and loving community. Our staff are totally dedicated to making everyone at Redlands Acre feel 'truly at home'.

## All The Comforts Of Home

You may be someone who likes sitting reading, watching television, or perhaps having a chat with others – whatever your preference at Redlands Acre we have a place for you to enjoy doing what you like best. Walk through from the hallway and you will find two comfy and cosy lounges as well as an attractive conservatory, which offers you a quiet and warm space from where you can enjoy views of the colourful gardens and visiting wildlife. Summer months and the warmer weather gives you the chance to take part in BBQs and the many other events we hold outdoors, often with family and friends there to join you.

We have a wide choice of fully furnished comfortable rooms, as well as 8 luxury care suites, each of which has been individually and tastefully decorated; ready for you to make your own. We encourage you to bring those special personal items of furniture, treasured possessions and pictures to add to your room; our aim is for everyone to feel that they are living in their own home from home.

## Leading A Fulfilling Life

At Redlands Acre we believe fun and laughter should be part of every day. Together with you, our activities co-ordinator plans a number of different activities and events for you to enjoy. You might like good old-fashioned entertainment, testing your wits with word games and puzzles, lifting your spirits with some exercise, or simply spending time sharing your life story with a stroll down memory lane.

It is always people who make the difference to the spirit of a home, and at Redlands Acre our team has your wellbeing and happiness as their top priority. Not only do we use our professional knowledge and experience to tailor a care plan to your individual needs, but we also know it is important to complement this with compassion and respect.

They say a kind heart works wonders, and nowhere is this more true than when dealing with your care. Rest assured that no matter how your care needs develop our staff will always look after you sympathetically and with dignity. At Redlands Acre there will always be someone there for you, 24 hours every day.

## Healthy Eating

At Redlands Acre you can enjoy good, nutritious food every day. We work hard to provide you with a varied menu and a healthy diet is important, but our catering team always remember that everyone loves regular treats. If there is something you particularly fancy, perhaps an old favourite or a special dish you would like, then please just ask.

We also cater for special dietary needs, so whether you are diabetic, gluten intolerant or suffer from food allergies, you will still find there is something just made for you. At Redlands Acre we are passionate about serving delicious food that you not only enjoy but that helps keep you healthy and active.

Everyone enjoys celebrating special occasions, so we always encourage you to invite friends and family to join yours, whether it's for lunch, tea in the garden, or for a birthday party celebration; everyone is welcome!

## Cedar Trust - A Little About Us

We are a family-owned local company that has been caring for people in Gloucestershire for over three decades. We opened our first home in Cheltenham in 1986 with one aim in mind – to look after everyone in a warm, compassionate, safe and friendly environment.

Really great care is all about developing good relationships. The teams in our homes are not only chosen for their professionalism but also their understanding and compassion. Through this they create strong and lasting friendships with both you and your families. This is one of the key reasons why our homes are lovely places to live – they feel like communities where the whole family is respected and looked after.

Although we offer the very best care for you, our five homes are much more than just about caring; they are about enriching people's lives at a time when they thought that might not be easily achieved. We have been, and remain, proud to be able to help people find happiness, friendship and fulfillment in their later years.
